If you have an issue or problem please do just pick up the phone and we can chat through it.

In these terms and conditions the term "company" means Sea N Shore Ltd, its Instructors or any sub-contracted person. The term "the client" shall mean each person in whose name the course is booked.

1. If the company is unable to meet any booking through circumstances beyond its control, the client(s) may be offered another booking at the company's discretion or an alternative booking offered with another company.
2. If the company is unable to offer the client(s) or the client(s) are unable to accept such an alternative booking, the company will refund any deposit or course fee paid. The company's liability is limited to this.
3. The company will decide how and when any course is run and whether or not the course will go out onto the water. The company's decision is final.
4. Your place on a course is secured when we receive a booking confirmation by either email or through the website, and full payment for the course.
5. In the event of your wishing to cancel your place on a course the following terms apply: Between four and two weeks until your course: Full cost of course due unless places can be 'resold' in which case liability is limited to administration charge. Whether we are able to resell your place may not become clear until the date of the course. Less than two weeks notice: Full cost of course due.
6. In the event that you need to change the date of your course then we will do our utmost to accommodate the change. If you request a change of date we can only accommodate this if we can 'resell' your place else the full amount is chargeable. There is a charge of 10% or £20 (whichever is the greater) of the course cost to make a change. In the event that you fail to attend your course then you are liable for the full cost of your course. The school is insured, however the client is recommended (if they consider it necessary) to take out their own insurance against cancellation, damage or loss of personal effects, death or personal injury.
7. The RYA Approved Training Centre, RYA Instructors, RYA Trainers & Coaches or as agreed do not accept responsibility for any loss, damage or injury suffered by persons and/or their property arising out of or during the course of the activities whilst training and/or coaching and/or instructing and/or delivering unless such injury loss or damage was caused by, or resulted from negligence or deliberate act.
8. The client acknowledges that there are inherent dangers involved in sports / powerboating and understands and agrees to sign the booking form indemnity holding the company and its Instructors free of liability in the event of an accident, death, injury or damage to person or property. The Client understands that the vibration that occurs as a boat moves across waves and wash can exacerbate existing conditions and agrees to advise the Company of any relevant conditions.
9. Own boat tuition/personal equipment. Tuition is provided on the following basis:
 - o The vessel is insured by the owner for loss, damage and legal liability to third parties
 - o The client remains the skipper and legally responsible for the safe management of the vessel at all times (including when under tuition) and will not hold the Company responsible for any loss or damage.

- o The client undertakes to secure the consent of the insurers to this agreement
- o Where marina fees/short stay charges etc are incurred these are the responsibility of the client.
- o The client will ensure their boat is in an appropriate mechanical state for the course to be run.
Where a course needs to be extended due to delays resulting from problems with the vessel additional time will be charged at our standard rates. Where we need to provide a vessel to replace a client's own boat on a course then this will be at our standard charter rates.

A client who seeks 'own boat tuition' will also be sent a separate document detailing the equipment required on the boat. It is a condition of the booking that the client's boat satisfies the conditions detailed within this document.

Clients warrant that any of their own equipment that they choose to use on a course (e.g. a lifejacket) are serviced in accordance with manufacturer's recommendations and have been checked prior to attending course.

1. Clients provided equipment such as waterproofs etc are responsible for the safe return of them at the end of each day.
